Chronic Absenteeism and Truancy

Chronic Absenteeism	Truancy
<p>Chronically absent: Any student in grade K-12 who misses 50 percent or more of the instructional day for any reason for 10 percent (or more) of the enrollment period.</p> <ul style="list-style-type: none">• All types of absences contribute to chronic absenteeism:<ul style="list-style-type: none">– Excused Absences– Unexcused Absences– Suspensions• A student is absent if he or she is not physically on school grounds and is not participating in instruction or instruction-related activities at an approved off-grounds location for at <u>least half the school day</u>.	<p>Truant: A student between the ages <u>6–17</u> who has accumulated unexcused absences on three consecutive days or has accumulated a total of five or more unexcused absences during the academic year.</p> <ul style="list-style-type: none">• Only <u>full-day</u> unexcused absences contribute to truancy.• Excused absences and suspensions do not affect truancy

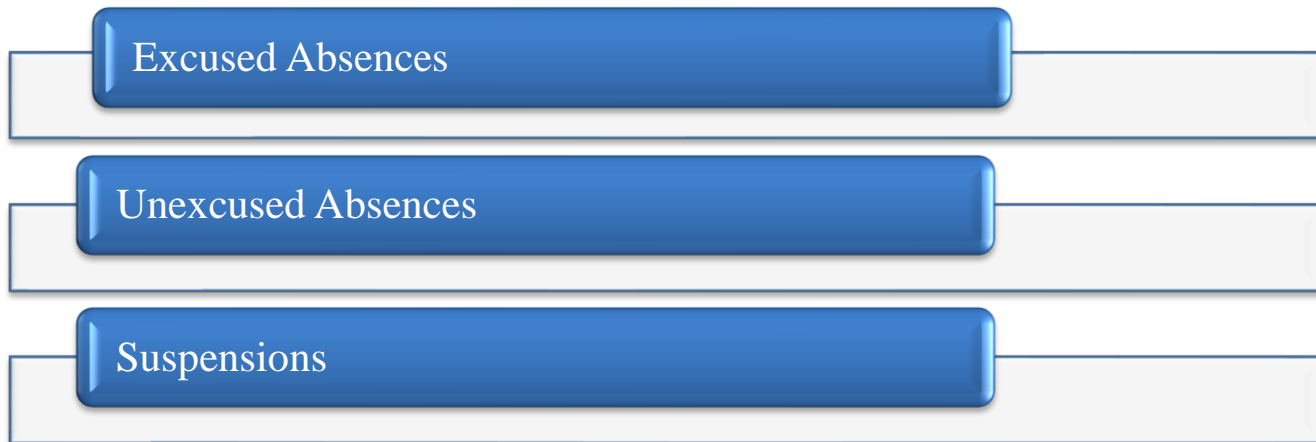

Chronic Absenteeism

The 10 percent is based on the individual student's enrollment

- 40 days enrolled= 4 days absent
- 90 days enrolled= 9 days absent
- 130 days enrolled= 13 days absent
- 180 days enrolled =18 days absent

Chronic Absenteeism

- Chronic absenteeism reporting will include the following absences:

Chronic Absenteeism

- Data will be reported at the school level
- Grade Levels- K-12 (no age exemptions)
- Students must be enrolled at least 10 days at any time during the school year to be reported as chronically absent
- Data will be reported by:
 - Gender
 - Ethnicity/Race
 - Disability Status
 - 504 Status
 - LEP Status
 - Homeless Status

Chronic Absenteeism

2016-17 South Carolina Chronic Absenteeism Data

- 13 % of students were reported as chronically absent
- 114, 580 students were reported as chronically absent

2017-18 South Carolina Chronic Absenteeism Data

- 13 % of students were reported as chronically absent
- 110,121 students were reported as chronically absent

Chronic Absenteeism

- **How should a student who enrolled at two schools, who is chronically absent at both during a school year be reported?**
 - Students are reported once at each school. Example: If a student is enrolled in school A for half the school year (90 days) and school B for the other half of the school year (90 days). The student is counted at both school A and B as chronically absent.
- **How should a student who is absent that attends school part-time be reported?**
 - The absence for a part-time student should be based on the student's schedule instead of the school day. For example, if a student attends school normally for 4 hours daily, then an absence would be counted when a student is out of school two or more hours.

South Carolina Compulsory Attendance Law

"South Carolina Compulsory Attendance Law requires that a parent or guardian shall require his child to attend regularly a public or private school or kindergarten of this State which has been approved by the State Board of Education, a member school of the South Carolina Independent Schools and Association, a member school of the South Carolina Association of Christian Schools, or some similar organization, or a parochial, denominational, or church-related school, or other programs which have been approved by the State Board of Education from the school year in which the child is five years of age before September first until the child attains his seventeenth birthday or graduates from high school."

Lawful Absences

- Absences caused by a student's own illness and whose attendance in school would endanger his or her health or the health of others,
- Absences due to an illness or death in the student's immediate family,
- Absences due to a recognized religious holiday of the student's faith, and
- Absences due to activities that are approved in advance by the principal.

Unlawful Absences

- Absences of a student without the knowledge of his or her parents, and
- Absences of a student without acceptable cause with the knowledge of his or her parents.

Note! Suspension is not to be counted as an unlawful absence for truancy purposes.

ATTENDANCE TIPS FOR PARENTS

Always know the school's policies on absences and making up homework.

Teach your child that being on time each day is important.

Talk with your child about why he or she is avoiding school.

Explain to your child the importance of attending school every day.

Notify school personnel if your child is going to be absent for any reason.

Discourage your child from leaving school before the end of the school day.

Arrange for your child's personal appointments to be held after school or during breaks whenever possible.

Notify your school promptly in writing to explain why your child was absent from school.

Contact teachers to find out what your child's homework assignments are when he or she has been absent.

Enlist the help of a school counselor if your child's academic problems seem to be affecting his or her attendance.

DID YOU KNOW?

Students who fail to attend school could be truant.

Truant

A child age 6 to 17 years meets the definition of a truant when the child has three consecutive unlawful absences or a total of five unlawful absences.

Habitual Truant

A "habitual" truant is a child age 12 to 17 years who fails to comply with the intervention plan developed by the school, the child, and the parent(s) or guardian(s) and who accumulates two or more additional unlawful absences. This child may need court intervention and an initial truancy petition may be filed.

Chronic Truant

A "chronic" truant is a child age 12 to 17 years who has been through the school intervention process, has reached the level of a "habitual" truant, has been referred to Family Court and placed on an order to attend school, and continues to accumulate unlawful absences. Should other community alternatives and referrals fail to remedy the attendance problem, the "chronic" truant may be referred to the Family Court for violation of a previous court order.

ATTENDANCE FACTS

- Attendance is taken on the first day of school.
- There is a direct link between higher student achievement and regular school attendance.
- Truant behavior often leads to a student's being involved in other risky behaviors.
- Poor attendance is an early warning sign of trouble in a student's life; including the possibility of dropping out.
- Students who miss a day of school miss instruction and must make up the work while trying to learn new material.
- Poor attendance leads to academic failure and may prevent a student from graduating on time.

DID YOU KNOW?

If a student fails to attend 50 percent or more of the school day, this student will be counted absent.

Chronically absent: Any student in grade K-12 who misses 50 percent or more of the instructional day for any reason for 10 percent (or more) of the enrollment period.

All types of absences contribute to chronic absenteeism:

- **Excused Absences**
- **Unexcused Absences**
- **Suspensions**

A student is absent if he or she is not physically on school grounds and is not participating in instruction or instruction-related activities at an approved off-grounds location for the school day.

Chronic Absenteeism Updates

- No new Attendance Codes
- A request for a Nurse code to replace the LICE code
- Updated SC 38 Chronic Absenteeism to select the Alternative School Program students

Chronic Absenteeism (Meeting Attendance)

Meeting Attendance:

- The following scenario is based on a high school bell schedule of 423 minutes.
 - A student is present if he/she are in instruction for 212 (211.5 rounded up) minutes, if a student is scheduled for 423 minutes.
 - Attendance must be taken each class period.
- The Chronic Absenteeism reports looks at the entire minutes in the bell schedule for a school day, then looks at the individual student's schedule for a school day. See table below:

Chronic absenteeism (Meeting Attendance)

CA-Present

Student	Scheduled minutes	Number of minutes	Present or Absent
Student A	360 minutes	180 (50% of the student's schedule)	Present

SC 37 Chronic Absenteeism Update Process

The Chronic Absenteeism Update Process will flag students identified as chronically absent. The student must meet the following requirements to be flagged as “Y” for chronically absent:

- A student must be enrolled at a school for at least 10 membership days to be included in the calculation.
- A student will be flagged as a ‘Y’ (chronically absent) if the attendance recorded in PowerSchool reaches or exceeds the 10 percent days absent of membership days. Absences will include excused, unexcused and/or out of school suspensions.
- A student is considered absent if not present 50% or more of the school day.

Reminders

- Please make sure the following steps are followed before submitting data to SCDE:
 - Run the SC 37 Chronic Absenteeism Update Process for all schools in the district.
 - Run the SC 38 Chronic Absenteeism School Level Report (pdf version) for all schools in the district.
 - Review the school membership days at the top of the SC 38 Chronic Absenteeism School report to ensure the information is updated to the current collection cycle
 - Review the report to ensure that the students are reported accurately.
 - Review the entry and exit dates for students identified to ensure that this information is correct.
 - Review the reports to ensure that “No Show” students are not reported.
 - Compare the ADT reports to SC 38 Chronic Absenteeism School Level Report (pdf version) for all schools in the district.
