RE: 5<sup>th</sup> Day Count Virtual Technical Assistance Sessions

In effort to continually ensure compliance and provide adequate support to our schools, the Institute will conduct virtual technical assistance sessions to provide support and assistance to prepare for your school's upcoming 5<sup>th</sup> day count.

As you know, the 5<sup>th</sup> day count data in Power School is crucial for your school. Although we are always available for assistance via email and phone, this is a designated time we will be available to answer questions and provide support if needed by your school.

The sessions will be held every Monday, beginning **July 11, 2022 - August 29, 2022**, from 10:30 a.m. – 11:30 a.m. These drop-in Q&A sessions are optional to attend, and no sign-up is required.

Please see below for information on how to join these weekly sessions:
