Lower Elementary (Grades 1-3) Classroom Teacher

The Montessori School of Camden, a year-round, award-winning, accredited, Montessori, public, charter school, is seeking a passionate licensed elementary teacher to co-teach a multiage classroom (Grades 1-3) of approximately 24 students. The Lower Elementary teacher is responsible for all instructional and operational aspects of the classroom. As a co-teacher, this work will be shared with another teacher who currently holds Montessori Credentials. The position necessitates a candidate who is mission oriented, highly collaborative, and demonstrates organizational and curriculum planning skills. Montessori certification is not required at time of hire; however, MSC expects that all lead teachers pursue Montessori credentials for the level that they teach. To facilitate this, we offer a fellowship program for those needing Montessori credentials.

Now is the time to join us and make a difference. Be a relentless force in the lives and educational future of children in the greater Kershaw County area at our award-winning school.
