- Create and adjust weekly instructional plans
- Provide individual instruction and small-group instruction in ELA, Reading, Writing, and Math
- Assist students during whole-group instruction and while working independently
- Provide push-in services to resource students as needed
- Provide pull-out services to resource students as needed
- Collect, record, and date goal-progress data in data books
- Prepare and distribute quarterly progress reports
- Ensure IEP parameters are followed and enforced with fidelity
- Write IEPs and attend and lead IEP meetings as needed
- Administer assessments including EasyCBM, iReady, and SC-READY
- Communicate with general education teachers as needed

- Ensure accommodations are provided in the general education setting
- Prepare and communicate the daily resource schedule
Prepare instructional materials, student work materials, communication boards, and devices as needed
- Collect folders and student work and ensure students have required materials before transitioning to classes
Maintain an organized classroom and instructional materials
- Minimize distractions and disruptions during instruction
- Escort students to and from general education settings
- Supervise and monitor students
- Assist with arrival and dismissal of students
- Assist with toileting and changing students as needed
- Lead student evacuation for safety in the event of restraint or student aggression
- Assist with evacuation of students during emergencies
- Provide coverage for lunch and restroom breaks for partner teachers
